THE INDIAN COMMISSIONER. Morgan Defends Himself Against Recent WASHINGTON, Dec. 18 .- Thomas J. fairs, whose nomination is under consideration by the Senate Committee on Indian Affairs, has prepared a letter defending himself against the charges made against him. This letter has been forwarded to the Secretary of the risiting friends and relatives in this Interior and a copy sent also to E vicinity returned to her home last | W. Halford, the President's private secretary. In reply to the charges made by representatives of the Catholic Church, that he had discriminated against those of the Catholic faith in making removals and appointments, Mr. Morgan sets up a general denial, setting forth the reason for certain removals made. NEW YORK, Dec. 18 .- The Evenin Sun in its last edition publishes a te column article alleging gross an criminal irregularities in the custom house affairs at this port. It claims L. B. Sheldon is shelling corn with a that an international clique exists between a number of American consulate attaches, notably at Hamburg, and glove importing houses of New York. The Sun declares it is one of the most gigantic swindles of its kind ever known, and says there will be an explosion soon which will reverberate throughout the United States and over Europe. The plan of swindlers is briefly foreign consulate cliques to allow gloves, and perhaps other goods, to be shipped to the "combine" of New York and perhaps other American importers at a great undervaluation, in fact al most nominal. Confederates in cus tom houses on this side allow member of the "combine" to get goods out of E. church Christmas eve and a turkey the custom house almost as soon as mas, the 25th. Supper from 5:30 to 9 they arrive and subject them to virtually no inspection, merely a glance at The M. E. church looks very much | the consul's accompanying invoice and better from the fresh paint just put on a few packages, then allowing the removal. Somebody evidently gets big pay from the "combine." The exposure created a sensation and an in-

vestigation has already been started. New Extradition Treaty. WASHINGTON, Dec. 18.-President ate the extradition treaty with England, referred to in his annual message, negotiated by Secretary Blaine and Sir Julian Pauncefote, the British Minister. By its terms the number of extraditable offenses is largely increased, the most important addition being that of embezzlement, so that if prize of \$300,000 in the 234 grand the treaty be ratified Canada and the United States will cease to exchange a class of undesirable residents who have hitherto secured immunity from pun-
